

Dear Doctors and the team of ward 2A,

We, Jaya Malar and family were very much pleased to take this opportunity to thank each of you for taking a good care of our late mother Madam Selvarani Govindan.

The first thanks goes to Dr.Viji for his care and kind treatment during our mother's admittance in Ward 2A. While the days in the ward, we've seen Dr. Viji's commitment in treating various race of patient. He is the right example for Doctor of Satu Malaysia. Not forgetting also Doctor Prakash for his medical consultation which really comforts our sick mother during that time. We wish more doctors like both of you will arise for the coming generations.

Always in mind dear staff nurse Navamani, thank you for your kind service in handling our late mother's needs throughout her days in Ward 2A. Thousands of thanks for your always cheerful smile, a happy facial expression, never know to sulk in helping our late mother's need. Because of these special characters in you, our late mother has named you Mother Theresa. Its shows how great was your services. A heartfull thanks for you.

And not forgetting to thank the other nurses in Ward 2A like Nurse Azah, Hazlina, Sumathi, Elly for all your caring services in taking care of our late mother.

We were very much touched and happy to see the commitments of Ward 2A in treating my late mother. Thank you again and God bless you all.

Sincerely,

Jaya Malar
